EXPERIENCE

CORIZO 
Role - Web Developer Intern

Feb 2025 – March 2025

Bengaluru, India

- Built and optimised modular React.js components.
- Utilized React Hooks for efficient state and effect management.
- Integrated RESTful APIs and conducted performance optimization using lazy loading and memoisation.
- Collaborated in Agile sprints with cross-functional teams, including designers, developers, and mentors from Wipro.

PROJECTS

StudyStream  | HTML5, Tailwind CSS, Javascript, React.js

- Implemented advanced performance optimization techniques such as lazy-loading, code splitting, and efficient asset management, significantly reducing page load times and improving overall responsiveness.
- Developed a responsive and dynamic dashboard using React.js and Tailwind CSS, presenting real-time analytics and interactive user insights in a clean, user-friendly interface.
- Utilized React Hooks, useState, useEffect for dynamic UI behavior, managing component state, side effects, and user interactions.
- Developed an intuitive dashboard featuring real-time analytics, user engagement insights, and a seamless user experience to optimize performance and usability.

TalentHunt  | HTML5, Tailwind CSS, Javascript, React.js

- Implemented a mobile-first, responsive design strategy to ensure an optimal user experience across desktops, tablets, and smartphones.
- Leveraged React.js to build dynamic, interactive components, enhancing user engagement and streamlining navigation.
- Enhanced front-end performance through efficient coding practices, improving page load speed and responsiveness.
- Built scalable, component-based architecture using React.js to ensure modularity and maintainability across the front-end codebase..

TECHNICAL SKILLS

Languages: C, C++, JavaScript, SQL, NoSQL.

Frameworks: React.js, React Native.

Tools: Git, GitHub, VS Code, N8N.

Soft Skills: Communication , Team Collaboration, Problem-Solving, Adaptability, Critical Thinking.
